🏢 Work Experience

2019 - 2020 **User Experience and Web app Designer**
Freelance, Shanghai, China
- ✦ Turning hobby into a career, helping entrepreneurs building interactive web apps
- ✦ based on their business models, design data structure
- ✦ Develop web apps independently, mainly coding in Python, HTML, JavaScript, CSS

2017 - 2019 **Instructor — Art and Design**, Shanghai, China
- ✦ Teach applied arts, primarily interior design and analogue photography process to students for portfolio building and personal development in related subjects
- ✦ Develop curriculum and prepare outlines for workshops
- ✦ Provide individualised tutorial or remedial instruction
- ✦ Supervise independent projects and hands-on training
- ✦ Advise students on program curricula and career decisions

In these two years as a teacher, 32 amongst 34 of my students have successfully secured offers from prestigious art institutions across UK, France, US, Canada, Australia, students majored in Interior design, photography and landscape design both on BA level (40%) and MA level (60%). While helping my lovely students embarking on their great journey, for content growing interests, I have been scrutinising web design languages since 2016

2015 **Volunteer Interpreter** in British Library, London

Interpreting and translating Chinese minority manuscripts mainly scores. Only after being interpreted in Pinyin can they be further studied.
Nearly 100 scripts were translated in half year. I am thrilled to have helped the study and have participated in the dissemination of Chinese minority culture in an international context

2011 - 2013 **Project Coordinator and Interior Designer**
M Moser Architecture, Shanghai, China

From a project coordinator to a designer who leads a small team, my duty had grown drastically, including:
- ✦ drawing draft plans, construction plans and detail plans
- ✦ putting together project presentations
- ✦ conveying design ideas to clients in presentations
- ✦ on site construction management

In these two years, I participated in 1 large project over 2000 sqm, 2 medium projects over 1000 sqm and 4 smaller projects just under 500 sqm, all of which were successfully delivered on schedule. During this time, I tasted the fruit of seamless team work, gained understanding of project management, realising that much knowledge to be learnt, followed by further study in the UK

🤠 项目经验

电商网页app(俄): VA-boutique.com — 2020.02

前端	后端	部署
django-bootstrap4 wow.js + Animate.css	django 3.0 PostgreSQL	Nginx Gunicorn

由于客户需要，在短时间内编写的电商网页app；由于服务器在俄罗斯，可能访
问稍有延迟。

论坛: metta-forum.herokuapp.com — 2019.12
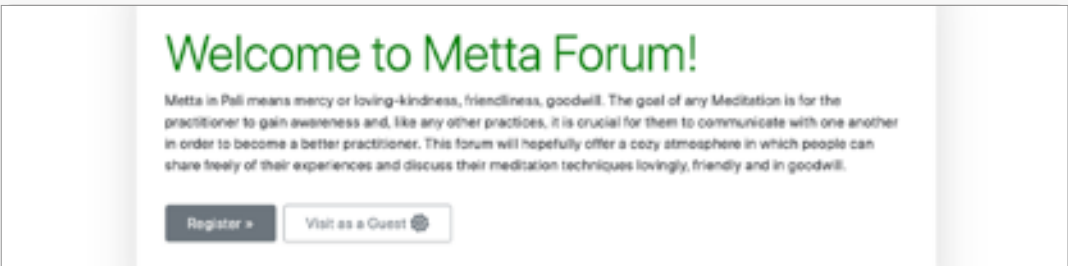

前端	后端	部署
django-bootstrap4	django 3.0 SQLite3	Heroku

利用django建立的一个关于冥想技艺的论坛，练习项目。最终利用Heroku发布。

艺术主页: donnelee.com — 2019.10

前端	后端
HTML CSS JavaScript	Flask

实际网站由于构建时间较早且服务器架构不允许，并未采用Flask。但出于练习
的目的利用Flask搭建了一个一模一样的复制品。
